Strengthening Community and Inspiring Individuals – Mind Body and Spirit

COVID 19 PICK UP RESPONSIBILITY FORM

As you have been made aware, all campers must be picked up within 10 hours of being notified that, either the camper shows symptoms of COVID-19 as described in our protocols or as recommended by our nurse, doctor, or they test positive at camp for COVID-19. This statement notifies us that you are allowing another person to pick up your child because you cannot be here within the 10-hour limit. In addition, you are telling us that the person picking up your child understands the policy and requirement to be available at all times and they have agreed to the responsibility of insuring they can be at Marymount within 10 hours of notification.

If you, the parent, are the one picking up your child then there is no need to fill out the form.

This form is letting us know if someone else has permission from you to pick up your child and you are giving Camp Marymount permission to release your child to this person. Please read the policy regarding this in the COVID-19 resource packet that you recently received. Please fill out the form below.

Print First & Last Name of Camper

Date

First & Last Name of Parent

Parent Signature

The following information for the person allowed to pick your child up:
