

## IMPORTANT

Dear Parents,

- This is your last reminder to make sure you get a covid test for your child that is checking in this Sunday, May 30<sup>th</sup> , for the 2 week session of camp. **YOU MUST HAVE TEST RESULTS DATED NO EARLIER THAN SUNDAY, MAY 23.**
- Test dated *before MAY 23, WILL NOT BE ACCEPTED* and your child will **NOT** be allowed to go to her cabin.

**I want to emphasize we are NOT going to be lax regarding this policy.**

- We do have one other opportunity that was just recently approved by our Camp Doctor. This is only to be used if no other opportunities are available. There is an over the counter product that you can get from Walmart called Binax NOW. *This is the only brand to be used as an alternative.* It is a 2 step-process test that is taken 36 hours a part. For this test to be accepted, we will need a copy of the dated receipt of purchase (must be within the 7 day period) and pictures of the two negative test.
- EMAIL ([info@campmarymount.com](mailto:info@campmarymount.com)) 1 OF THE 2 OPTIONS BELOW by Sunday, May 30, 9:00 AM:
  1. *Completed* vaccination card (both COVID vaccines dated at least 14 days before camp starts **OR**
  2. The negative test results dated May 23 or after. If this is the Binax Now test you must email a copy of the receipt (dated May 23 or after) AND picture of BOTH negative tests.

Thank you for your patience and understanding regarding the safety of your children, our staff and the effort to ensure a complete successful summer.

Tommy Hagey
