

Marymount Family,

Well, once again we have WHAT'S HAPPENING WEDNESDAY! The good news is that not much has changed since last week regarding summer camp. We have a few spots left in the girls Jr. 3 week camp session, the Jr. boys 2 week session, and the Sr. boys one week and two week sessions. We continue to hire staff, if you know any college kids that want a great experience and a good resume booster send them our way. Our honeybees continue to get use to their new home and are settling in nicely.

One important date to remember is May 21. As you may know our Gala Marymount in May is virtual again this year and the on line auction starts May 21 and ends to May 24 at 3:00. We have a lot of great items to bid on. This event funds a good part of our summer programming so please participate if you can. Keep an eye out on your email and Facebook for more information as it gets closer. I hope everyone has a great rest of the week and a good weekend.

Tommy Hagey

Executive Director

Camp Marymount Inc.
